رؤية
VISION
2030
المملكة العربية السعودية
KINGDOM OF SAUDI ARABIA

2030 VISION

"Our Vision is a strong thriving, and stable Saudi Arabia that provides opportunity for all. Our vision is a tolerant country with Islam as its constitution and moderation as its method. We will welcome qualified individuals from all over the world and the respect those who have come to join our journey and our success .

We intend to provide better opportunities for partnerships with private sector through three pillars : our position as the heart if the Arab and Islamic world , our leading investment capabilities, and our strategic geographical position .

We will improve the business environment, so that our economy grows and flourishes, driving healthier employment opportunities for citizens and long-term prosperity for all. This promise is built on cooperation and on mutual responsibility .

This is our "Saudi Arabia's Vision for 2030" We will begin immediately delivering the overarching plans and programs we have set out. Together, with the help of Allah, we can strengthen the Kingdome of Saudi Arabia's position as a great nation in which we should all feel an immense pride"

**HIS ROYAL HIGHNESS
CROWN PRINCE
MOHAMMAD BIN
SALMAN BIN ABDULAZIZ

BOARD CHAIRMAN MESSAGE

Dear Esteemed Clients, Partners, and Colleagues,
Since our inception in 2011, Inmaa Al Bilad has been committed to setting the industry standard in Civil Marine Works, Civil Infrastructure, Earthworks, and Heavy Equipment. Our partnerships with Esteemed organizations of Saudi Arabia and our Projects showcase our dedication to delivering high-quality, reliable, and cost-effective solutions.

I extend heartfelt gratitude to our clients and team for your continued trust and hard work. As we look ahead, we are excited to conquer new challenges and achieve even greater milestones.

Thank you for considering Inmaa Al Bilad for your projects;
we look forward to a promising future together.
Warm regards,
Abdullah Al Senan

Board Chairman of Inmaa Al Bilad Co.

Inmaa Al Bilad's OHS Policy

Occupational Health Safety Policy
Zero Harm, 100% Commitment

2030
Occupational

شركة إنماء البلاد للتقانات
INMAA ALBILAD CONT. CO.

Occupational Health and Safety (OHS) Policy

At Inmaa Al Bilad, we are committed to ensuring the health, safety, and well-being of our employees, subcontractors, and all individuals involved in our construction activities. Our Occupational Health and Safety (OHS) Policy reflects our dedication to maintaining a safe work environment and preventing accidents, injuries, and occupational illnesses.

- Compliance with Laws and Regulations:**
 - We comply with all applicable OHS laws, regulations, and industry standards, ensuring that our work practices and procedures meet or exceed these requirements.
 - We establish and maintain effective communication channels with regulatory authorities, proactively seeking updates on OHS regulations and promptly implementing necessary changes.
- Hazard Identification and Risk Management:**
 - We conduct thorough assessments to identify potential hazards and risks associated with our construction activities, ensuring their proper management and control.
 - We implement appropriate control measures to eliminate or minimize hazards, considering the hierarchy of controls (elimination, substitution, engineering controls, administrative controls, and personal protective equipment).
 - We regularly review and update risk assessments, ensuring they remain relevant and implemented throughout the lifecycle of our projects.
- Training and Competence:**
 - We provide comprehensive OHS training to all employees and subcontractors, equipping them with the necessary knowledge and skills to work safely and identify potential hazards.
 - We ensure that workers are competent in their assigned tasks and have a clear understanding of OHS procedures, emergency response protocols, and the proper use of personal protective equipment.
 - We encourage ongoing professional development, fostering a culture of continuous learning and improvement in OHS practices.
- Safe Work Practices:**
 - We establish and communicate clear and specific OHS policies, procedures, and guidelines to ensure consistent adherence to safe work practices across all our construction sites.
 - We promote a proactive approach to safety, encouraging workers to actively participate in hazard identification, incident reporting, and the implementation of control measures.
 - We foster a culture of accountability, empowering all employees and subcontractors to stop work or report any unsafe conditions or activities without fear of reprisal.

INMAA ALBILAD CONT. CO.

- Emergency Preparedness and Response:**
 - We develop and implement comprehensive emergency response plans, ensuring that workers are trained and aware of the procedures to follow in the event of an emergency.
 - We conduct regular drills and exercises to test the effectiveness of emergency response plans and identify areas for improvement.
 - We establish communication protocols to promptly notify and coordinate with relevant authorities, subcontractors, and emergency services in the event of an incident.
 - Continuous Improvement:**
 - We continually monitor, measure, and evaluate our OHS performance, striving for ongoing improvement and the prevention of incidents.
 - We encourage the active involvement of employees and subcontractors in identifying opportunities for improvement and implementing corrective actions.
 - We regularly review our OHS management system to assess its effectiveness and compliance with applicable standards, seeking opportunities to enhance our OHS performance.
- This OHS Policy is communicated to all employees, subcontractors, and stakeholders, and is available to the public. We are committed to regularly reviewing and improving our OHS practices, fostering a culture of safety, and ensuring the well-being of all individuals involved in our construction activities.

Inmaa Al Bilad's Quality Policy

Committed to Quality, Dedicated
to Progress

www.inmaaalbilad.com

 **شركة إنماء البلاد للمقاولات**
INMAA ALBILAD CONT. CO. 

Quality Policy

"At Inmaa Al Bilad, we are committed to delivering exceptional construction services that meet or exceed our clients' expectations while adhering to the highest quality standards. Our Quality Policy is based on the ISO 9001 framework and serves as the foundation for our continuous improvement efforts."

Our Quality Policy is built upon the following principles:

- Client Satisfaction:** We prioritize understanding our clients' needs and strive to provide them with superior solutions that fully meet their requirements. We also establish long-term partnerships with our clients based on trust, reliability, and outstanding service.
- Quality Excellence:** We are dedicated to achieving excellence in all aspects of our construction projects. Our goal is to consistently deliver projects of the highest quality, meeting industry standards, contractual obligations, and regulatory requirements.
- Continuous Improvement:** We foster a culture of continuous improvement throughout our organization. By regularly reviewing our processes, procedures, and performance, we identify areas for enhancement and implement effective measures to drive efficiency, effectiveness, and innovation.
- Skilled Workforce:** We recognize the importance of our employees in delivering quality outcomes. We invest in their professional development, provide training opportunities, and promote a safe working environment that encourages collaboration, creativity, and personal growth.
- Supplier Collaboration:** We maintain mutually beneficial relationships with our suppliers, treating them as partners. We engage in open communication, promote fair business practices, and work together to ensure the quality of materials, equipment, and services provided.
- Compliance and Sustainability:** We are committed to complying with applicable legal and regulatory requirements. Furthermore, we integrate sustainable practices into our construction processes, aiming to minimize environmental impact and promote social responsibility.
- Risk-Driven Decision Making:** We emphasize the use of accurate data and relevant metrics to make informed decisions. By monitoring key performance indicators, we track our progress, identify trends, and proactively address potential issues to continually enhance our performance.

This Quality Policy is communicated, understood, and implemented at all levels of our organization. We regularly review our Quality Objectives to ensure their alignment with this policy and continuously improve our Quality Management System.
